

New!

385 PERFORMANCE COLORED CREWS

- A** Hi-Performance polypropylene for moisture wicking while quick drying and to provide bacteria and odor resistance
- B** Arch Support Zone for added comfort, better fit and better circulation
- C** Ankle Support Zone for added stability
- D** Lightweight & Colorfast
- E** Vented Foot Zone to release heat and moisture throughout the foot
- F** Half Cushioned Foot
- G** Double Welt Top for a secure and snug fit

The new & improved 385 Performance Colored Crews has a slight design change, and a new 1x1 ribbing on the leg.
